There will be ample opportunity to enjoy the recreational advantages of the Great Smoky Mountains, and the members are urged to bring their families.

### PERSONNEL FILE

There is a shortage of well-qualified business law professors. Those willing to consider a move are urged to register with the Secretary-Treasurer, and those having vacancies to fill are invited to inform the Secretary-Treasurer. Since the effectiveness of this service depends upon the currency of available information, the members' cooperation in notifying the Secretary-Treasurer of the acceptance of positions or the filling of vacancies is requested.
