

MESSAGE FROM THE PRESIDENT

Dear Colleagues:

It was heartwarming to find a record-breaking attendance at our Pine Brook meeting. Of even greater significance were the interest, participation, and congeniality of all those who were present. The program was sufficiently diversified to command constant attention, and the beautiful physical surroundings lent an unusual atmosphere to the occasion. We now look forward to next year's meeting in the hope that an even greater number will be in attendance. You will be notified of the exact place and date of the 1957 meeting in the next issue of the Bulletin.

In the meantime, we hope that as many of you as possible will attend one or more of the various Regional Business Law Association Meetings, which are to be held before the next annual meeting of the National Association.

We would appreciate very much hearing from any of you concerning the formation of new regional associations, or concerning increases in the membership of our existing regional organization.

Your officers will be very grateful to receive any suggestions that will enable us to make 1956-57 the greatest year in the history of our Association.

We would like to express our appreciation for the fine work you have all done in the past and to urge again your continued cooperation with us in forwarding the purposes and objectives of the American Business Law Association.

Most cordially yours,

Wesley C. Harter
President
