APPLIED POSITIVE PSYCHOLOGY

Improving Everyday Life, Schools, Work, Health and Society

Stewart I. Donaldson, Mihaly Csikszentmihalyi and
Jeanne Nakamura, Claremont Graduate School, Ca. (Eds.)

Applied Psychology Book Series

"The book emphasizes organizational, institutional and community level application of positive psychological principles. The editors are well known in their respective fields, and within the positive psychology movement, and the contributing chapter authors are strong. This book could reach an audience other books that focus on positive psychology do not, namely students and researchers in business, community, public policy, organizational studies, and leadership in addition to the traditional psychology market"

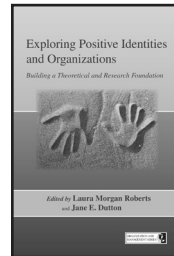

- Jameson K. Hirsch, East Tennessee State University
