The benefits of using Study.Net are really the benefits of digital content delivery. As you know, your course materials can be viewed, saved, and managed online with Study.Net on any browser or with the Study.Net's tablet apps.

What you may not realize is how Study.Net makes the use of digital content so easy. Consider:

1 Use any device

Whether it's a PC, Mac, iPad or Android, you can access your course material immediately.

2 Online or offline

Save course material to your device and then access it anytime, anywhere.

3 All your course material in one file

Open Study.Net's new eReader file to view all of your course materials in a single PDF file, with bookmark and annotation tools. The Study.Net eReader link is located at the bottom of your Study.Net course material list.

4 Travel convenience

Fewer pages to haul around means travel convenience. Now, if only everything was digital!

5 Manage your digital content like paper

Use Study.Net's tablet apps to view, markup, and search your annotated course materials, or view and manage your content with your favorite third-party app.

6 Rest easy with immediate support

You can email Study.Net any time and expect a reply within the hour, if not faster. We'll do whatever we can to make your experience outstanding.

Good luck with your program, and let us know anytime at customerservice@study.net if you need assistance using Study.Net.
